Health and safety keep us laser-focused
on our most important priority

Y O U

When you live at JAA, it's always **YOU FIRST!**

When you live at JAA, it's always YOU FIRST!

FULFILLED

Engage in daily programming that keeps you active
Enjoy each other's company, dining, gardening, exercising, relaxing

INSPIRED

Be creative with story-telling, music, and art making
Spend quality time with our staff who recognize your many talents and interests

RECOGNIZED

Get comfortable in your own well-kept, warm, and beautiful living space
Choose personalized meals from a menu of nutritious and fulfilling options

SECURE

Feel safe because we adhere to the highest health and safety standards
Relax knowing anyone entering the building meets stringent screening criteria
Maintain safe hygiene and social distance in large, clean, and fresh community spaces

THRIVING

Catch up with your family virtually, at window visits, or indoors

(based on health department guidelines)

Rest assured knowing there is a Medical Director / Physician on staff
Trust the 24 / 7 of your nurses, nursing assistants, care partners, and care attendants
Be your very best with our new Wellness Director and Residence Advocate

We so appreciate the way JAA is keeping Mom safe, responding with care and creativity, cheerfully providing activities and attention despite the challenges of COVID.
